The referendum to extend bar hours will save lives.

604 people died in Drunk Driving Accidents over the last 5 years in Hays, Travis, Bexar, and Comal counties. Vote to extend bar hours in San Marcos at the end of the ballot on Nov. 4

Early Voting: Oct. 20-31st

Too many San Marcos residents drive drunk to Austin every night in search of later bar hours endangering their own lives and the lives of others. We need to extend the hour...

What MADD Says...

"MADD advocates setting uniform statewide cut off limits on the sale of alcoholic beverages in order to end the practice of "barhopping" to find establishments with later closing hours for "one last drink" with likelihood of impaired drivig as a result."
